and Title 11, relative to creating the Mississippi Parkway  
Commission of Tennessee.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF TENNESSEE:

SECTION 1. Tennessee Code Annotated, Title 11, Chapter 7, is amended by adding  
Sections 2 through 9 of this act as a new part.

SECTION 2. The general assembly finds that the corridor through which the Mississippi  
River flows contains nationally significant historic, economic, recreational, scenic, cultural,  
natural, and scientific resources, and that preserving, protecting, and enhancing such resources  
for the benefit of the state of Tennessee and improving the coordination between all levels of  
government in such corridor is of importance to the people of the state, and that in order to  
provide a means and a stimulus for coordinating the preservation, protection, enhancement,  
enjoyment, and use of the resources of the region the following provisions of law are hereby  
enacted.

SECTION 3. There is hereby created the "Mississippi River Parkway Commission of  
Tennessee," hereinafter referred to as the "commission." The commission shall serve as the  
local coordinating agency for the development of the Great River Road along the Mississippi  
River from Canada to the Gulf of Mexico. For administrative purposes only, the commission  
shall be attached to the department of transportation.

SECTION 4. (a) The commission shall consist of the following eight (8) members:

(1) One (1) member from each of the counties of Lake, Dyer, Tipton and Lauderdale;

(2) Two (2) members from the county of Shelby;

(3) One (1) member from the Senate; and

(4) One (1) member from the House of Representatives.

(b) Each member under subdivisions (1) and (2) of subsection (a) shall be eighteen (18) years of age or older, a resident of the county from which the member is selected, and appointed by the governor and confirmed by joint resolution of the general assembly prior to beginning such member's term of office. In making appointments to the commission, the governor shall strive to ensure that at least one (1) person serving on the commission is sixty (60) years of age or older and that at least one (1) person serving on the commission is a member of a racial minority. At least two (2) people serving on the commission shall be female.

(c) The legislative members under subdivisions (3) and (4) of subsection (a) shall be appointed by their respective speakers. Each such appointment shall be for a term of up to two (2) years to run concurrent with the duration of the current general assembly. To the extent practicable, legislative members shall represent counties which are adjacent to the Mississippi River.

(d) Of the six (6) members originally appointed to the commission pursuant to subdivisions (1) and (2) of subsection (a), three (3) members shall serve for two (2) years and three members (3) shall serve for four (4) years. The terms shall be drawn by lot at the first meeting of the commission. Upon the expiration of such terms, appointments thereafter shall be for a period of four (4) years and until their respective successors in office have been appointed and confirmed.

(e) The commissioners of the departments of economic and community development, environment and conservation, tourist development, and transportation, or their respective designees, shall serve as non-voting exofficio members of the commission.

(f) A member shall serve no more than two (2) consecutive terms. Initial appointments shall be made and confirmed by June 1, 1999, and members shall serve until July 1 of the year in which their term expires. The position of any member shall become vacant when such member misses, without cause, more than two (2) consecutive meetings of the commission. Cause shall be determined by the commission. Vacancies in membership of the commission shall be filled in the same manner and by the same authority as the original appointments. Any vacancy among the members appointed by the governor shall be filled for the balance of the unexpired term by the governor as soon as practicable. If the general assembly is not in session at the time a member is appointed by the governor to fill a vacancy resulting from the expiration of the term of a member of the commission appointed by the governor, the member of the commission whose term has expired shall serve until a newly appointed member is confirmed as provided herein. The Mississippi River Parkway Commission, hereinafter referred to as the "national commission," shall be notified of all appointments and shall be given the names and addresses of the appointed members.

SECTION 5. The commission shall meet quarterly at such time and place as designated by the commission or the chairperson thereof, but the chairperson shall call a regular meeting at least four (4) times per year. The chairperson may also call, as necessary, up to four (4) special meetings per year. The first meeting shall be called by the commissioner of transportation within sixty (60) days after the appointment and confirmation of the members. The department of transportation shall provide the commission with suitable meeting space and any necessary clerical and technical assistance.

SECTION 6. (a) The members of the commission shall receive no compensation for their services as members of such commission, except that they shall be paid their actual and necessary traveling expense for four (4) regular meetings each year and not more than four (4) called meetings during any one (1) year.
